

Liberator^{XT}

MOVING EXTRA-LARGE ITEMS? YOU NEED AN EXTRA-WIDE HAND TRUCK!

LIBERATOR XT FEATURES:

- ▶ A robust 19" wide frame and 28" wheel-base for maximum stability and less risk of the load tipping over sideways or falling off.
- ▶ Assembled with aviation grade rivets.
- ▶ Extruded wheel brackets that are guaranteed for life to never crack or break.
- ▶ Heat treated welded style handles to help prevent cracking or bending.
- ▶ Exclusive 2-year warranty!

A137-B118-C106-D5-E1E

SUGGESTED AREAS FOR USE:

- ▶ Casino and Arcade Machines
- ▶ Moving and Storage
- ▶ Appliance and Electronics
- ▶ Vending Machines
- ▶ Construction Building Supplies

OPTIONAL EQUIPMENT TO CUSTOMIZE XT FOR SAFER, EASIER AND MORE EFFICIENT TRANSPORT!

- ▶ Ratchet strap attachments for securing the load in place.
- ▶ 4th wheel attachment puts XT back into a 40-degree angle to support the load, so you don't have to.
- ▶ Bolt on wings to widen the frame surface area to 27".
- ▶ Tubular heat-treated extension for overall truck height of 68".
- ▶ Solid aluminum removable deck, with or without carpeted front.
